Australian Securities Exchange Limited

### **Greenland Minerals and Energy Limited Appointment of Dr John L Mair Special Projects Manager.**

Greenland Minerals and Energy Limited is pleased to announce the appointment of Dr John L Mair as Special Projects Manager.

John holds a PhD in Geology with expertise in a variety of mineral deposit types including those related to intrusions such as the Kvanefjeld multi-element project. He has authored and co authored a number of scientific papers on the development of intrusion related deposits.

John has extensive experience in exploration, having previously worked in the remote environments of British Columbia, Yukon Territory and Alaska, places which share many exploration challenges with Greenland.

John's role will include providing further technical input to the Kvanefjeld project with an emphasis on regional target generation and assessment.

John will also assist the Managing Director with high level technical presentations on our Kvanefjeld project to the geological and financial communities.
