Company Announcements

Australian Securities Exchange Limited

Appointment of Mr. Anthony (Tony) Grey as Strategic Advisor.

The company is pleased to advise the appointment of Mr. Anthony (Tony) Grey to the position of Strategic Advisor. Mr. Grey's role will primarily be to provide corporate and strategic advice on issues that have and are expected to arise in the future.

The company is in a period of growth and Mr. Grey's experience will be invaluable as we progress the Kvanefjeld Multi-element project.

Mr. Grey started his career working as a lawyer with **McCarthy Tetrault** (one of Canada's largest law firms in Toronto) for seven years. After developing an interest in the minerals and energy sector he went on to found **Pancontinental Mining Ltd** which was listed on the Australian Securities Exchange (ASX). Mr. Grey then went on to become a **member of the Business Council of Australia** and also **Chairman of the Uranium Institute**, a world-wide association of uranium producers and consumers headquartered in London, now called The World Nuclear Association.

Mr. Grey has also been a director of the **World Gold Council**, **The International Nuclear Law Association** and **The National Mutual Royal Bank**. He is the former **Chairman of Windimurra Vanadium Ltd**, a company developing the large vanadium orebody in Western Australia of the same name and **Kingsgate Consolidated Ltd**, a producing gold mining company operating in Thailand. Both Companies are listed on the ASX.

Presently Mr. Grey is Executive Chairman of International Ferro Metals Ltd, a company listed on the Main Board of the London Stock Exchange (FTSE 250), producing ferro-chrome in South Africa and also is a Non-Executive Director of Mega Uranium Ltd, a uranium company listed on the Toronto Stock Exchange.

Kind Regards

Roderick McIlree
Managing Director
